Vanessa, Ann, Amy,

I sent out a revised draft permit, but earlier in the day NDEE had shared a flawed draft. So the earlier document contained the fact sheet for the permit, but the revised document was only the revised permit. I've attached both. Sorry for my mistake.

John –

Since I don't know the first thing about NPDES, I forwarded to Amy to see if anyone in SAW would have comments. Here are a few comments from Ann.
